6. Treasurer's Report	MP reported that he had paid the 3 donations agreed at the AGM & also the bill from the yacht club caterers of £567.60 (£510 last year) PDD said he had agreed an increase of £1 a head for 50 people & thought the quality was a big improvement. 7. Any Other Business	S/O's still at old rate – MP said non responders may have moved or changed emails. WS suggested MP had done more than enough to resolve the situation & they should remain as members. Sth Pier drying blocks – KH said that some concrete blocks used for extra support had been left & WS agreed to ask Harbours to remove them. Ladders – KH said some ladders around the old harbours were rotten & NW suggested that WS ask Simon Porritt (SP) to share the maintenance schedule with us. PR said this should include their planned works to retain the 5 Anchor status, saying there was a problem with rats in Elizabeth marina. Escale – PR had discovered that berth holders in St Quay got 20 nights under the scheme, whilst we only get 10. NW suggested this was due to it being harder to administer with 3 marinas. Harbours Master Plan – WS tabled some preliminary plans & said he hoped more information would be presented at the next MDG meeting. Electricity overcharge – PC reported that a system fault had resulted in his bill exceeding £3,000 & recommended that owners check their accounts. Empty marina berths – PC reported that a 12-14m berth in La Collette had been empty for 3 years. NW proposed a walk round the marinas to list vacant berths while few boats were in the boat park or cruising. WS said he would invite SP to join in.	WS WS WS
